B- Reading Comprehension (16 marks)

16

Read the following passage carefully, then answer the questions below:

Running is a very interesting sport. It doesn't need expensive equipment. All you need is a good pair of running shoes and a safe place that will make you both safe and happy while running. It's a sport that's good for your body and mind. It makes your heart, lungs, and muscles stronger. Running also gives you energy by helping you get more oxygen and **improves** your health so you don't get sick easily. It can even help you at school because exercise makes you think more clearly.

There are many running clubs open to all ages. They offer safe places specially for women who like to practise sports. A simple Internet search can help you find some in your area. You can also find useful programmes for runners. These programmes tell you how running can offer competitions or just be for fun. **They** also teach runners to set goals and take care of their bodies.

Runners have great respect for each other because they know how difficult the sport can be. Running isn't always about how fast you are or how far you're going. If you're looking for more than just a sport, running may be the perfect choice.
