Comprehension

Read the following passage, then answer the questions below:

Money is very important for life. Parents can spend it on their kids and on the house affairs. **They** can buy everything that their children need. They can buy food, drinks, clothes, furniture and cars. People earn money by working at all different kinds of jobs. You can earn money even if you are a child. You can paint a picture, make a card or design a poster to sell them to the others. You can use the money you earn to buy all your needs. Also, you can save it in the bank or at home.

It is a fact that money is of two types; paper money, which is made of special paper and coins which are made from different kinds of metal. Money is a **blessing** if people use it in a good way. It is harmful at the same time if people use it in wars or to hurt each other. Some people think that money is everything in life. But that is wrong because many people don't have money, but they can live a happy life.

A) Choose the correct word from a, b, c and d:

1- The **Best title** for this passage could be:
